

Checked Baggage

Effective June 20, 2008, the fee for the first checked bag, when paid in advance online at www.spiritair.com, is \$15.00 each way. The fee for the second bag (when available for purchase) is \$25.00 each way. The fee for the third, fourth and fifth bags (when available for purchase) are \$100.00 per item each way. All overweight or oversized items are weighed and sized at the airport and applicable fees collected at check-in.

Spirit Airlines can only guarantee the transportation of one (1) item as checked luggage per fare-paying customer at the airport. Additional bags are accepted only when reserved in advance online at www.spiritair.com. If not reserved, Spirit cannot guarantee that there will be space for additional bags and will not be held responsible for any additional items brought to the airport by the customer.

Customers can pay for checked bags in the following ways:

ONLINE:

Bags can be purchased online at www.spiritair.com up to one hour before flight departure:

- \$15 for the first checked bag each way, within normal weight and size.
- \$25 for the second checked bag each way, within normal weight and size.
- NOTE: Bag purchases may be limited to one (1) per customer for certain destinations or travel dates.

AIRPORT:

Bags can be purchased on the day of departure at the airport ticket counter or at one of our kiosk locations (where available) or at a skycap position:

- \$25 each for the first and second checked bags each way, within normal weight and size.
- \$100 for the third, fourth, and fifth checked bags each way (when space is available).

Standard Size and Weight and General Requirements

A standard checked bag is defined as a bag not exceeding 62 linear inches/158cm (length + width + height) in overall size and 50 pounds/23kg in weight. Each checked bag must have identification on the outside of the bag. Spirit recommends placing identification tags inside luggage as well.

Excess Baggage and Maximum Limits

Any checked baggage that exceeds the standard size and weight limit is subject to excess baggage fees in addition to the standard checked bag fee.

Spirit Airlines will not accept baggage that weights more than 99 pounds (45kg), measures more than 80 linear inches (203cm) in a single dimension or has combined dimensions exceeding 160 linear inches (406cm).

Items Transported at No Cost

- There is no charge to check wheelchairs, strollers, car seats or other assistive devices.

Checked Baggage Fees

All checked baggage fees are non-refundable and may be paid online at www.spiritair.com or at the airport. Spirit offers a discount for reserving space for your checked bag online.

Bags that may be overweight or oversized at the time of check-in will be charged accordingly.
